

St. Leo Catholic School
2019-2020 Middle School Service Hours Form

Student's Name: _____

Grade: _____

Students at St. Leo Catholic School have a mission to “learn, serve, lead, and succeed.” A strength of our school is our commitment to serve -- to put our faith into action. Middle school students are required to record five (5) service hours per trimester as part of their religion homework grade. These hours are also a mandatory part of admission to the St. Leo chapter of the National Junior Honor Society. These can be service projects done with a group or done as individual projects providing service to others. One of those activities must be a school-sponsored program. Service activities are those which are done for or on behalf of others (not including immediate family members) and for which no compensation (monetary or other) has been given. This form will be due the last week of each trimester. Summer service hours may be counted for the first fall trimester.
