FULL DAY PRE-K TUITION RATES:

| | 2025- 2026 |
|-----------|------------|
| 1 Student | \$7,150 |

FEES

\$150 Application Fee per student

\$350 Enrollment per family (New families)*

\$275 Re-enrollment per family (Current families)**

(* \$375 after two weeks from acceptance date / ** \$300 after March 1st)

\$325 Resource Fee per student

This fee will ensure students have essential learning materials beyond what tuition covers. It will fund textbooks, technology, classroom supplies, curriculum enhancements, testing fees, and facility upkeep. This will help maintain a high-quality education while keeping tuition rates stable.

As a service to our families, we will offer to divide the cost of the resource fee across six months of your tuition payments (July - December) or you can choose to pay this upfront one time. Fees are also included in the costs covered by NC Opportunity Scholarship funds.

Activities Fee per student:

To help families plan and budget more effectively, we have implemented an activities fee, which consolidates the costs of field trips, and certain student activities, into a single charge applied to your FACTS account in September.
