For the 2026–2027 school year, the total cost per student is \$860, detailed as follows:

1. Activities and Resources Fee - \$300 This fee covers field trips, individual student materials, and instructional resources.
2. Capital Fee - \$300 Starting with the 2026-2027 school year, this fee will be allocated to a dedicated reserve aimed at building long-term savings for future building and infrastructure needs.
3. Security Fee - \$260 This fee supports campus security and our partnership with Praelio Security & Risk Management.
